Each and every year, July 22nd is observed as National Hammock Day. Hammock Day is appropriately celebrated right in the middle of the Dog Days of summer. The month of July is here when the sun starts to shine bright and it is the best time to relax and rest in a hammock. In this hectic life, celebrating National Hammock Day is like taking a break from the routine by swinging, relaxing and sleeping on it and making summers so much more fun. People celebrate Hammock Day by spending as much time relaxing on it as possible.

Hammock Day exists to enjoy summer as it should be enjoyed.

Nothing sounds quite as relaxing as kicking back and relaxing in a hammock - and there's no better way to celebrate Hammock Day! Find two sturdy, conveniently located trees (or improvise - and don't limit yourself to the outdoors), string up a comfy bed... and relax!
